Tala,

We've incorporated your feedback, as well as the handful on minor edits provided by workgroup members. I've attached the current versions of the documents. Once you've reviewed these versions, RICS can provide them (w/ any additional edits you might requested) to OMB. We're providing a TRI 101 presentation to Danielle at 1pm today, so our goal would be to provide these materials to OMB between 1 and COB (today), assuming no surprises arise during today's meeting with OMB.

One comment you provided was in a comment box that has been stripped from the clean version of the document that is attached. Specifically, you asked whether we can **Ex. 5 Deliberative Process (DP)**

Here are my comments/edits on the materials...

It looks like I am reviewing at same time as workgroup??? If so, I will need to look at the FINAL that goes to OMB?
